

BPW NZ COMMUNITY ACHIEVEMENT AWARD

(Helping your local Community)

Each year many BPW Clubs have a positive input into their local communities by instigating actions and practical support for various organizations. This is not only benefits the organization and the people associated with them but the BPW Club locally and nationally as well. An award is presented annually to the club that contributes the most to their local community during the past year, recognising the efforts that the members have put into being an active part of the club. This award will consider both annual projects as well as new initiatives.

Criteria

The community Achievement Award is awarded annually at the Federation Conference to the club which has made the most positive contribution to their community during the previous year.. Entries should be sent to the Chair of Project Committee by **1st March** each year.
