## Amazing Race

This is a combined photo, item and information hunt with a **BONUS** challenge. Teams must photograph as many of the listed scenarios, and find and bring back as many of the listed items as they can in the allotted time. Some are more challenging than others, but if you use your imagination and combined brain power, you must just come out the winners! Either way.....You'll have **FUN** trying!

**So ladies, loosen your girdles, dust off your thinking caps and let the race begin....**

Here are a few rules about the Race....

- you may answer the questions in any order.
- no impeding of other contestants is allowed.
- no use of cell phones or other technology is allowed.
- no separating of team members, you must stay together at all times
- teams must obey the rules of the road.
- no speeding (big brother is watching!)

### **FINISH DESTINATION**

You must be at the finish destination between **7:00** and **7:10pm**.

You will be penalized if you arrive early AND late, losing 1 point every minute.

We realize you will not be able to complete all of the questions and tasks in the time given, so choose wisely!

The location of the **final destination** is.....

A **Club House** with a beautiful view of the ocean.

P.S See **question two** on the following page if you need a hint!

## **HAVE FUN!!!**

### **Help!!!!**

If you need any help along the way, ring Rachael on 021 222 1702 for a clue.

Each team will be allowed only one clue.
